Please note that additional fees are applicable as follows:

The minimum permit fee is \$20.

Each permit application must be accompanied by a non-refundable permit fee of \$20, which will be credited against the fee applicable for the facility use.

A custodian is required to be on site for all permitted use with indoor access. Any permitted use outside of the time that a custodian is normally on site will incur an additional charge of \$20/hr.

Any additional cleaning required as a result of a permitted use will be charged at the rate of \$20/hr.

Auditorium and Student Centre sound and lighting is available at the rate of \$20/hr, and may only be operated by an authorized TBC audio/visual technician, at the additional rate of \$25/hr. (minimum \$75)

Use of other meeting room or classroom projectors/screens/monitors is available at the rate of \$10/hr.

Any damage to the facilities or equipment will be charged at cost to repair/replace.

A subsidy may be available to reduce personal/non-profit rates where these fees present a financial hardship.
