Barry & Amy Speck, Ontario Regional Coordinator & Vibrant Coordinator, Word of Life Fellowship Canada, Inc. Summer 2022

Dear Friends-

It's been a busy few months since our last letter!

Here are some highlights of things that have been going on in our lives & ministry this Spring...

- In April & early May we were able to take the Vibrant team to 11 different youth groups to share the gospel and about the Bible Institute. Bottom right is a photo of Barry speaking to a youth group in Markham.
- We hosted the Bible Institute students, staff and families at our house for a BBQ in May. They hike to Inglis Falls (not far from our home) and then come to our place for supper and games. Super fun!
- We helped organized a 20 Year Anniversary Celebration for the Bible Institute on May 13th. We had approximately 50 people attend in person and about that many again online!
- Barry participated in our Bible Institute staff's planning week for the next year, sharing the Word with our staff.
- That same week, Barry was the keynote speaker at a men's conference here in Owen Sound. He shared 3 sessions with the approximately 50 men in attendance.
- We organized and helped run a joint staff conference for our Ontario and Quebec staff. We loved the chance to finally be able to gather and fellowship after 4 years of not being all together. At the event, we said goodbye to our director of 6 years, Peter & Bette Verkaik (retiring) and celebrated the installation of our new director, Martin & Yannick Jalbert (bottom center photo).
- We also celebrated the faithfulness of former director and friends, Gary & Barb Stairs, as they were inducted into our WOL Canada "Hall of Honour" (bottom left photo).
- Meanwhile, our grandkids are growing and thriving. Top from left to right, Us with Griffin, Emma with Eden & Rosie, Lucy (6 months), Sawyer (who turned 4 in May!) and Harper. We are eagerly anticipating grandbaby #7 who is due July 4th - a little girl for Sam & Holland, little sister for Sawyer & Harper. In other BIG news- Rosie accepted Jesus as her Saviour!

Thank you so much for standing with us - Barry & Amy Speck
